

The Final 'Shout Out'

The end of the road has come for the weekly roll of honour in terms of Lexia and Nessy stars. It has been super to have so many pupils reaching their individual targets, learning new words and spellings, developing new skills and earning a fortune for the number of hours spent working hard!! Thank you for all your efforts during the past 3 months.

Lexia will remain available over the summer months for anyone who is currently on the programme. Nessy will also be available over the summer to pupils who had a place before the start of the Covid-19 pandemic. The pupils who were allocated a free place over the past three months will unfortunately lose their access around the 21st July. Some pupils might celebrate, however, having spent the last three months checking and noting the usage by all pupils, it is certainly clear that many of the pupils will miss the programme. Again, congratulations on all your achievements and successes. The star performers will benefit from their efforts when school restarts. Enjoy your holidays.

The Final 'Shout Out'

Lexia Stars

A great way to finish the 'shout out' is with a massive congratulations to James McA from Mr. Smyth's class who has completed all 18 levels of Lexia. Well done, James. Your certificate for completing Lexia will be awarded at assembly when school returns. Also, congratulations to Cillian R in Mr. Lavelle's class who completed a level on Lexia and gained a certificate.
