

## Nessy and Lexia News for Parents. 31st March 2020

A massive word of thanks to all the students who worked hard on the literacy programmes last week, also to the parents/guardians who encouraged and supported them. There was an improvement in the usage of both programmes, with some incredible performances. Unfortunately, there remain quite a few pupils who have not logged on to Lexia since leaving school almost a fortnight ago. Nessy is proving increasingly popular with 127 of the 314 places now being used.

Points to note on Nessy:

\*When beginning the programme it is important to complete the Nessy challenges and set targets in reading and spelling.

\*If targets are completed, new targets need to be set.
